### More POWER for your MONEY

**Kodak AA Alkaline Batteries (60PCS)**  
Keeping everyday devices powered with our 60 x pack of AA 1.5-volt Xtralife alkaline batteries by Kodak. The reliable batteries work with a wide range of devices, including PlayStation and Xbox controllers, Toys, Flashlights, digital cameras, alarm clocks, and more.

Kodak Xtralife batteries are also available in:

- AAA
- C
- D
- 9v

- 12x More Power\*\*
- High-quality components
- Easily Recyclable
- 10 Years of Storage\*\*
- Various Applications
- Green Packaging

More POWER for your MONEY

### 12x MORE POWER\*\*

Kodak's Xtralife alkaline batteries last much longer than traditional Zinc batteries on the market due to their High-Quality construction & higher energy density.

High-quality components

All of our Kodak Batteries are made with highest quality components, to ensure they provides safe operation for both the user and the device their installed in. Kodak Xtralife Batteries offer ultimate peace of mind, no matter what device they are used in.

Easily Recyclable

Kodak Xtralife Batteries do not contain toxic metals like Mercury, Cadmium and Lead. Our Kodak batteries are non-hazardous and can be easily Disposed in accordance with local/regional/national/international regulation.

10 YEAR SHELF LIFE\*\*

10 Years of Storage\*\*

Thanks to the premium quality, our Kodak batteries can hold power for up to 10 years while in storage if stored correctly.

Green Packaging

We have improved our packaging to a more sustainable, readily recyclable to help reduce our Carbon footprint.

IDEAL FOR:

Various Applications

Despite being small, our Kodak batteries can be used in a wide range of devices in household and business premises, including electric toys, remote controls, Wireless Doorbells, and wireless mice and more.

## KODAK LED Light Home 20

With its built in sensor, fumbling around in the dark for the light switch and waking everyone up is a thing of the past. The Home 20 Night light detects the dimming ambient light and automatically turns on at dusk and switches off at dawn, providing a warm glow to its surroundings. Excellent for gentle lighting in the little ones bedroom, in the hallway, Kitchen or wherever you need a small elegant light to show you the way.

## KODAK LED Light Home 130

Banish the dark areas around your home with the Home 130 wireless lights. With their adhesive tab fittings and the 10m range on the handy remote (including a remote wall mount holder) there are no restrictions to where these bright little lights can be placed. In wardrobes, closets, hallways, around the caravan, under cabinets and counters the Home 130 is perfect for providing stylish spot lighting to the darkest of corners. Select from 2 lighting options and activate the 30 minute timer on the remote or even use the push button controls on each individual light for targeted luminescence.
